On October 30, 2007, the parties jointly informed the Court that they had reached an agreement in principle to settle all claims in this litigation, subject to final documentation, notice to the class, and approval by the Court pursuant to Rule 23(e), Fed.R.Civ.P. At that time, Lead Plaintiff was hopeful that the settlement documentation could be completed in time for a December 3, 2007 hearing on a motion for preliminary approval of the proposed settlement, and the Court accordingly established that date for a hearing, with the moving papers to be filed by November 19, 2007.

Notwithstanding Lead Plaintiff's good faith efforts, it has become clear that meeting the aforementioned schedule will not be possible, due to the complexity of the settlement documentation being prepared by Lead Plaintiff's counsel and the demands on their time from other matters. No problems have arisen with the settlement whatsoever; however, the documentation process is lengthy and complex.

Accordingly, in an abundance of caution and to ensure to the degree reasonably possible that no further extensions will be required, Lead Plaintiff requests, pursuant to Rule 6(b)(1), Fed.R.Civ.P., that the Court continue the hearing on a motion for preliminary approval of the proposed settlement to January 15, 2008, with moving papers to be filed by December 21, 2007.

Defendants' counsel have advised Lead Plaintiff that they assent to this request.
